

My name is Ahmad S. Hashimi. DOB 3/5/1983
 ID# A0170255, Episode# 257919. I am writing in
 Regards to being appointed a new attorney due to
 in-effective counseling by my current attorney
 Bruce Johnson JR. He has not spend not has
 talked for a total of more then 50 mins all together
 since Ive been in jail and is strongly pressuring me
 to sign my plea without even knowing or discussing
 all the facts in my case by asking me personally about
 my case. Last time we saw each other tensions rised
 because of me wanting a new attorney and we shouted
 at each other and now I dont feel comfortable putting
 my freedom in his hands since he left on bad terms
 with me. Also when he wanted me to sign the plea
 he wasn't event aware of the forfeiture of a property clause
 in the plea which I had to bring to his attention which
 tells me he didn't even read the plea fully himself
 before him asking me to sign it. I am respectfully
 asking for a new attorney.
